ment of rent.

The majority of our readers are probably familiar to some extent with the plans of the ordinary Building and Loan Societies; the socialed Co-Operative Home Building Associations, and the Mortgage Installment plan of selling property. No doubt these plans have placed many people in the possession of homea and have worked fairly well. We have no intendion, therefore, of assailing these plans,

PROSPECT OF COLD WAVE STRENGTHENS WHEAT TRADE.

SHORTS IN CHICAGO MAR-KET SCRAMBLE TO COVER.

Corn Is Assisted by Sympathy and Enabled to Resist Efforts of the Bear Faction.

Chicago, March 24.-Stared in the face by a cold wave scheduled for Kansas, Nebraska and surrounding territory, short sellers of wheat scrambled to cover to-day, causing prices to make a net advance of 1@14c. Corn closed 4c up. Onts are down a shade. Provisions show a gain WHEAT

Even before the predictions of the cold

wave, the wheat pit was quite generally bullish on receipt of continued complaints from many sections regarding the unprom-

disposition among shorts to cover on the declines. Many of the leading commission houses were on the selling side of the market and there was no conspicuous buying. The close was steady with May at 1854,035%c. July opened unchanged 'sc lower at 37%c, ranged between 37%c and 37%c, ranged between 37%c and 37%c, and closed at 37%35%c. Local receipts were 122 cars.

PROVISIONS. Provisions held firm throughout the entire session under the influence of small receipts of hogs and higher prices at the yards. There was a good investment demand for all products, but offerings were only moderate. The market closed firm with July pork up 7½610c at \$3.20612.20½. July lard was up 5c at \$7.16, and ribe 7½ Gibc at \$6.97687.00.

wave, the wheat pit was quite generally buillsh on receipt of continued complaints from many sections regarding the onpromesting appearance of the growing crops was an active general demand at the start. Intind quotations on July were lectower to the high prices steadily advanced. With a growing crop prospects, shorts as offerings were light, prices steadily advanced. With a growing the start in the deviation of the work of the growing crop and the west and southwest. This amouncement, in the suited character energy into the buying movement, the suited character energy into the buying of the close was atong a continued and the suited character energy into the close was strong when the close was strong and the market suitered some reaction from the high point. The demand, however, continued good throughout the day and the close was strong ranging between 25c and 34%c. Clearance of wheat and flour were equal to 124, 200 bu. Primary receipts were 415, 400 bu. against 362,800 bu. a year ago. Mineapolis, Duluth and Chicago reported receipts of 311 cars, against 250 and 300 and 120 at a range of the bears to break prices. Some weakness was manifested early owing to quite general selling by the pit crowd, prices declining under yesterday's closing figures. There was good support, however, from commission houses and several of the buil leaders, which resulted in fair buying by shorts
